

IMPORTANT INFORMATION FOR STUDENT ATTENDEES!!!

In keeping with the Foundation's emphasis on student participation, *we are offering reduced tuition rates, free cabin lodging (limited availability), and opportunities to meet colleagues offering 4th year Externship placements for students.*

The TBarM Ranch & Resort Conference Center Cabin is a multi-dwelling facility consisting of bunk style beds. For the comfort of your stay, *you will need to bring your own:*

- Linens
- Towels
- Toiletries
- Pillows

Flashlights are highly recommended as the past students found it very dark while walking back to the cabin at the end of the evening. Flip flops for the shower are also recommended.

The Scott Haug Foundation cannot be responsible for your valuables; please leave them at home. Although the cabin can be locked, please bring along locks for your suitcases so your items can be properly secured. While at the Retreat, all of your meals will be provided as part of your registration fee. Fees for t-shirts, tubing, and the golf scramble are not included; please come prepared for this payment if you would like to participate.

This is a casual conference so comfortable clothing is welcome (Remember: you are trying to network with future colleagues so you may not want to be too comfortable!) Our Friday night dance theme is **"HANG 10 in 2010!"** Feel free to bring your board shorts, grass skirts and flip flops, but please don't forget your hearing protection!

(For ideas, go to www.scotthaug.org and follow the links to past retreat pictures. Dressing for the dance theme is always a highlight of the retreat!)

And don't forget to bring along your resume in case you find that perfect 4th year site!
